- Any swimmer entered in the meet must be certified by a USA Swimming member coach as being proficient in performing a racing start or must start each race from within the water. When unaccompanied by a member-coach, it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement and to bring proof of such certification to the meet.
- It shall be the swimmers' and coaches' responsibility to familiarize themselves with all the information in this Meet Announcement and any information and changes announced at the General Meeting.
- Swimmers and coaches are responsible for being familiar with this meet's scratch rules and check-in procedures.

- Deck changes are prohibited.
- Shaving is not permitted anywhere in the facility.

Eligibility: Open to athletes who:

1. Are currently registered with USA Swimming LSCs within the Western Region Section of the Western Zone as of the day that meet entries close. On-deck transfer into an eligible LSC is not allowed.
2. Are year-round members of USA Swimming. There will be no on-deck USA Swimming registration.
3. Have met the appropriate 2017 Time Standards in competition between December 1, 2015, and the entry deadline. Penalties apply for unproven entry times. (See #6 below).
4. Swimmers with a disability who have achieved Can-Am qualifying time standards during the qualifying period for this meet may enter up to four (4) individual events for which the Can-Am time standard has been achieved. Each swimmer has the option of swimming a half distance for any event entered. Swimmers with disabilities may also participate in the Time Trials on the same basis.
5. Meet management will produce a psych sheet prior to the start of the meet with markings to indicate times requiring proof as required under #6 below. The psych sheet will be posted on the websites listed on Page One (1).
6. Each entry time must be from USA Swimming sanctioned, approved, or observed competition. Entry times not in the SWIMS database must be proven to the Administrative Referee or designated representative prior to the scratch deadline for the event. Failure to provide such proof of time prior to that deadline will result in the swimmer being removed from the event. There is no need to prove relay entry times. It is the entering clubs' or individuals' (if entering as unattached), responsibility to verify that entry times are in SWIMS.

Entries: All entries must be submitted online through USA Swimming's Online Meet Entry system – www.usaswimming.org/ome-- between February 1 and 11:59 PM PST, March 8, 2017.

- You may pay for the online entries with Visa, MasterCard, American Express, Discover, or by check. Payments by check should be made payable to Valley Aquatics and sent c/o Suzanne Rychlik, 27435 Maple Ridge Way SE, Maple Valley WA 98038. Payments by check must include a Meet Entry Summary and be received no later than March 15, 2017.
- Once you complete your online entry, you will be sent a confirmation email from OME. Bring it and all communications with you to the meet in case of any entry problems. When entering an individual time not in SWIMS, please try to ensure that the missing data is downloaded into SWIMS as soon as possible.
- Please note that OME will not update entry times as new results are entered into SWIMS. You can return to your entry after you have checked out to modify entry times should they improve during the entry period or to add events to your entry, but you cannot delete events after you have paid for them. All such modifications must be made before the entry deadline.
- Check all entries before paying for them! Enter each with an accurate time achieved in the proper course; converted times will not be accepted. For help with entries, contact the Meet Entry Chair listed below. Questions will be forwarded to appropriate person if the Meet Entry Chair is unable answer them.

Event Limit: Each entered swimmer may participate in up to six (6) individual events and up to five (5) relays, but no more than three (3) individual events per day including Time Trials. All swimmers, including relay-only swimmers, are limited to three (3) Time Trials. There is no limit to the number of relays a club may enter, but only the top two (2) relay teams per club can score in each event.

Time Line: Depending on the number of entries and at the discretion of the Meet Referee, the preliminary sessions may be conducted in two pools, or in an "A/B" format. If adopted, details of this procedure, including the number of heats of each event to be swum in the "A" flight, will be announced at the General Meeting.

If the projected length of the Thursday's 1000 or Sunday's 1650 Freestyle timed finals distance sessions does not allow for the Finals session to start as originally scheduled, the Meet Referee, in consultation with the meet host and the Western Region Section Officers, reserves the right to adjust. Timeline adjustments will be announced at the General Meeting.
